Save time and increase your coding compliance with expansive referential and regulatory content

Trying to find the information you need to code correctly and understand complicated regulatory information is cumbersome and time-consuming — especially when you have to sift through multiple government websites. We’ve compiled thousands of Medicare and Medicaid documents, local and national Medicare policy information, and dozens of Optum reference books into one easily searchable database to provide you easier and faster answers to your coding reference questions.

Access content from Optum, Medicare, Medicaid, fee schedules, forms, LCD/NCDs and coding content.

Easily toggle between Optum, Medicare, Medicaid and code search results.

Filter search results by source and date published.

Simply click on one of the search results to open the document. Then, MedicalReferenceEngine.com automatically finds your search term and scrolls right to it.

Quick and easy to use
With links to public information and proprietary Optum content, all the critical information you need is consolidated into one comprehensive tool. So you find what you need, faster. You can even reduce research time by saving searches or bookmarking content.

Powerful code lookup tools
MedicalReferenceEngine.com features the Optum CodeLogic™ search engine, which allows you to search across ICD-9 Vol. 1 & Vol. 3, ICD-10-CM/PCS, CPT® and HCPCS simultaneously by code, keyword, acronym and abbreviation. In addition, view LCD/NCD, lay descriptions, illustration and Pub. 100 references for each code.

Robust Medicare content
With so many regulatory changes, it’s important to stay updated. Find answers to your Medicare-related questions with the robust library in MedicalReferenceEngine.com. Get online access to Medicare transmittals, press releases, Pub. 100 and more, spanning five years of historical information. In addition, search LCD/NCD policies for code combinations for medical necessity edits for all Medicare contractors to facilitate complete and clean claim submission and timely reimbursement.

Search State Medicaid content
Medicaid content is now available for some states, in addition to Optum and Medicare content. You can now search provider manuals, provider bulletins, fee schedules and forms from your state’s Medicaid agency, making MedicalReferenceEngine.com a true one-stop resource.

• Add-on: Medicaid All-States — item #WA28
• Add-on: Medicaid Single State — item #WA29

Customized email notification alerts
There is no need to monitor websites for important changes and new regulations; just tell us which items you are interested in, and we will send you email updates daily or weekly, depending on your preferences.

Access to forms and fee schedules
Using the right form is imperative to reimbursement — but finding the right form can take time. With MedicalReferenceEngine.com, you can access commonly used Medicare fee schedules and Optum forms, templates and checklists with a click of a mouse.

Seamless connection with other Optum online coding tools
MedicalReferenceEngine.com is integrated with EncoderPro.com and RevenueCyclePro.com. With one login, you’ll be able to access all of these applications seamlessly.
