

## EncoderPro.com Plus Add-on

EncoderPro.com Plus is an exciting new membership program being offered by Optum360<sup>®</sup> exclusively for all levels of EncoderPro.com (Standard, Professional, Expert and Payers).

As an EncoderPro.com Plus member, you'll enjoy customized access to EncoderPro.com features and functionality specific to your specialty and organizational needs. You can also access Optum360<sup>®</sup> content at a fraction of the price previously available. Additionally, EncoderPro.com Plus members will receive exclusive offers and access to education materials that are valuable to professional coders.

EncoderPro.com **Plus<sup>+</sup>**

**Item No:** WA45

**Price:** \$149.99 per user

### Benefits will include:

- Access up to 25 AAPC CEUs through CareerWize.
- Customized code search results based on your specialty. Limit code searches to only those that impact your organization.
- Quick and easy access to E&M review tools. We know E&M is the most frequently coded section of codes and often the most difficult.
- Access to historical coding content at a fraction of the price.
- Additional Coder's Dictionary content for more clinical term clarification than ever before.
- Exclusive educational opportunities.
- Exclusive access and discounts to other events and promotions.

## Access the Optum360 E/M code evaluation tool

This tool walks you through E/M code selection by looking at different components of the E/M code (e.g., Exam, History, Medical Decision Making, etc.) then the tool will supply the correct code based on 1995 and 1997 E/M coding guidelines and logic.

**OPTUM™ Optum LYNX Outpatient Charge Capture**

E/M Type	Physician E/M Coding
